*social media link krla na

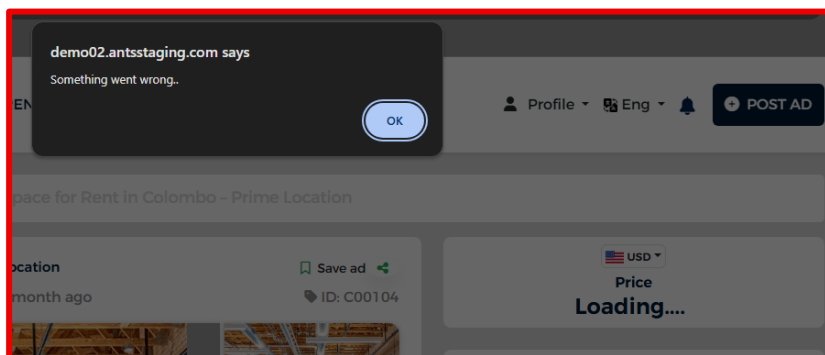

*post ad wala desktop eke enne ad eka premote krnna mobile eke enne ad duration eka

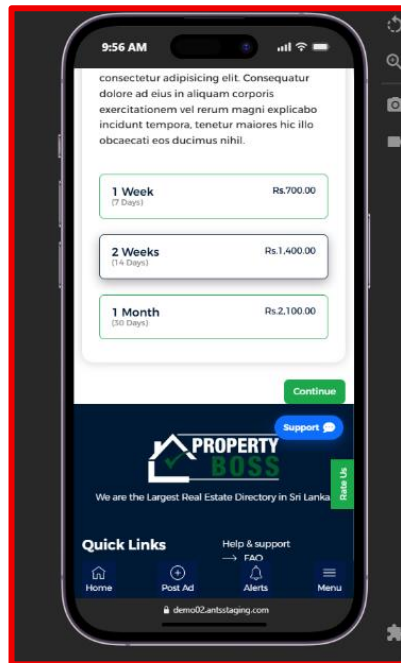

*Required field ekk fill kre nathi unma post ad karama form eka load wenwa fill krnna ba

The image shows a mobile app form for posting an advertisement. The form has several fields: 'City' (set to 'Wellampitiya'), 'Ad Images' (with instructions to add quality images between 1Mb to 5Mb), 'Price' (set to 'Rs. 8,500,000' and 'Negotiable'), 'Mobile Numbers' (with a field for '+94 717217446'), 'No of Bathrooms' (set to '5'), and 'Parking Slots'. There is a 'Support' button and a 'Rate Us' button at the bottom right. A red error message states: 'The ads img field is required.'

*ad details wala currency eka change wenne na

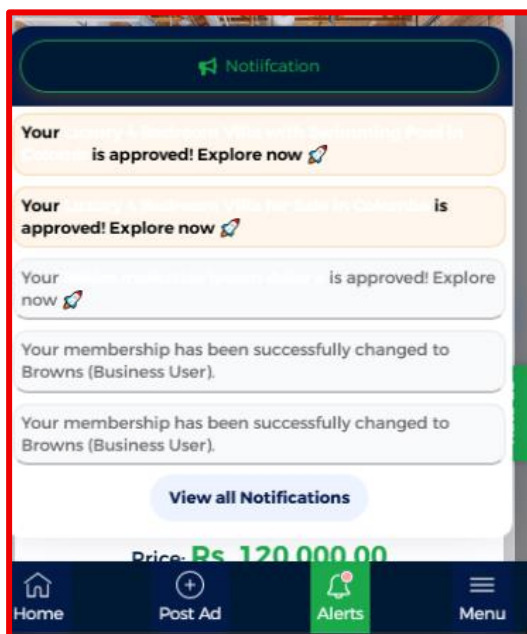

*post ad continue button eka wada krnne na

[illegible]

*User exclusive ad select karata home Eke exclusive ad section Ekata enne na & admin eke exclusive, premium, Select krnna enne na

*Notification Complete na(mobile)

*Share ad ekedi adminta payment eka krnna enwa

The image shows a browser's developer console with the 'Preview' tab selected. It displays a JavaScript error: 'Trying to get property 'days' of non-object', exception: 'ErrorException'. The file path is '/home/u574331019/domains/antsstaging.com/public_html/demo02/app/Http/Controllers/AdFeeController.php' and the line number is 204. The error trace shows the call stack starting from the AdFeeController.php file.
